GETTING AROUND ASPEN

The Aspen Institute's campus (1000 N. 3rd Street, Aspen, CO, 81611) is located about 1 mile from downtown Aspen. The following transportation options are available to help you access event activities and explore town.

Ideas Festival Shuttle:  Our shuttle service runs on a continuous loop between downtown Aspen and the Aspen Institute's campus during event hours, making stops at several hotels around town. Details about the stops and schedule will be available on our event app and in your program book.

Bike Sharing:  Use Walton Bikes to get to and from the Festival on your own schedule: It is fun, fast, and free for 30-minutes rides. Compliments of the Walton Family Foundation, Festival attendees receive a Walton Bikes pass to access Aspen's bikeshare of over 30 stations and 170 bikes, including four stations conveniently located on the Aspen Ideas Festival grounds. Activate your card, attached to your Aspen Ideas Festival credentials, at waltonbikes.org. Have questions or need more information? Contact WE-cycle ambassadors at 970-205-9222.

Golf Carts:  Late for a session across campus? Already got your steps in for the day? Take advantage of our frequent Amazon golf cart transportation. Chauffeured carts are available while the Festival is in session to whisk you from one side of campus to another.

Bus service:  The City of Aspen has a free, city-wide bus system. The cross-town shuttle runs every 30 minutes to and from downtown Aspen to the Aspen Institute campus and the Benedict Music Tent, between 7:54 am and 9:00 pm daily. COVID PROTOCOLS
The Aspen Institute regards the health and safety of Festival staff and attendees as our highest priority. Please review our current COVID-19 protocols to better understand how we are continuing to manage events as it relates to COVID-19.

The Aspen Institute is also monitoring the latest CDC and local public health guidance regarding masking and other mitigation strategies and will keep attendees updated on any necessary changes to our event protocols.

COMMUNITY AGREEMENT
The Aspen Institute is dedicated to advancing a free, just, and equitable society. Consistent with that mission, the Institute is committed to creating a safe and vibrant community that is respectful, inclusive, and welcoming to people from all different backgrounds and across the world. We recognize people will have different viewpoints and perspectives. However, only when we treat people with mutual respect and dignity can we truly come together to share a free and open exchange of ideas. So we offer this Community Agreement as a code of conduct to help stakeholders understand what we expect for them when they are engaging with the Institute community, as well as to guide them on what does not belong. If we all follow this Community Agreement, we can ensure everyone feels empowered to participate and further promote intellectual growth and curiosity.

PRINCIPLES OF THE ASPEN INSTITUTE
Our founding commitment to a humanistic outlook remains at our core and reflects our belief that the dignity of every person is paramount, that social progress is imperative and attainable, that we can achieve breakthroughs by engaging with humanity’s accumulated wisdom, and that the inner life and values-based leadership require nurturing. As we have gained new insights and understanding over the years, our conception of these points has changed. But our commitment to this humanistic outlook endures.

Our programs today reflect our foundational belief that dialogue among diverse people and across diverse perspectives is essential both to improving our understanding and to finding solutions to modern challenges. This enduring commitment has enabled the Institute to make unique contributions in the search for understanding and solutions. We seek to engage people of integrity and outstanding character from an ever more diverse cross-section of society. Read more about the Principles of the Aspen Institute.
